Please state below what financial support is required and give some information to support your application to the Fund. You will need to demonstrate some form of 'additional need' that makes attendance at an event more challenging than for the average HRGB member, and that attendance may not be possible without additional financial outlay or support; for example, because of:

Physical disability

Medical infirmity – potentially but not exclusively age related

Learning needs – that would require additional support if at school

Emotional/wellbeing issues

The financial support may be necessary for a variety of reasons, for example:

Your personal circumstances mean that you do not have sufficient funds to attend

Additional costs have to be incurred to ensure accessibility

Additional transport costs are necessary to attend the event

There is a need for a carer/assistant to attend the event to support you.
